THE FIRST AVOCADO ICE CREAM!

DELICIOUS, DAIRY-FREE ICE CREAM CRAFTED FRESH, FROM THE TREE!

Dear Store Manager,

I am a regular customer at your market and I would love to be able to buy Cado Avocado-based Ice Cream here! Cado is a fresh new ice cream alternative made from whole organic avocado -- there is nothing else like it on the shelf. Cado is vegan, gluten free, dairy free, soy free, rich in heart-healthy fats, non-GMO verified, made with organic ingredients and most importantly it actually tastes like ice cream!
